# ***In The Net!***

September 1 2009 IN THE NET!

## **HALIBUT LIMIT RAISED**

Daily limit for Halibut now 2 per day with the same possession limit of 2 per person.

COHO LIMIT to go up September 1 to 4 coho per day per person with possession limit of 8 per person.

## **SEPTEMBER FISHING IS GREAT!**

The northern coho arrive with most of them weighing in at 18 – 24 pounds! Chinook are still available and the halibut start to move back inshore to feed on spawned out salmon.

Add to that, clear skies, no wind and the best fishing is inside from Saltery Bay to Centre Island. The large northern coho are schooled up waiting for the fall rains. It can be some of the best, fast paced and exciting fishing of the season!
