## LARGEST SALMON OF THE YEAR!

On August 19 Tim Zachman, an 11 year old weighing 84 pounds caught the biggest salmon of his life, a 50 pound Chinook. Fishing with his father, Mike on an evening bite approximately 3 miles off of Ferrer Point in 160 feet of water, Tim hooked the giant salmon using anchovies. The battle lasted nearly 30 minutes with young Tim exhausted and wearing a smile that will last for many fishing seasons!

Each year many whales are seen migrating by and feeding in Esperanza Sound. This year the numbers of whales is unprecedented. It is difficult NOT to see grey, killer, or humpback whales on a days fishing trip. They are especially concentrated between Steamer Point and Centre Island in Esperanza Sound.
