**DERBY 2007 - THE BEST YET! 10 YEARS AND
GROWING!**

RAISING THE BAR.....AGAIN!

AUG 17 & 18

It is with great excitement and anticipation that we announce our sponsors for our 2007 Westview Marina Salmon Enhancement Derby. Redl Sports Distributors of Vancouver and Scotty Marine from Victoria have stepped up with significant levels of support. This will of course will directly result in more money for the fish! We are also very excited about the new format of the derby this year. With the support of the local Salmon Enhancement Society, the Lions Club and many volunteers there will be a salmon BBQ and a dance on Saturday night! YES... the Bobbers will be back!

As always, we are amazed by the generous support given to our derby. We are already receiving packages of derby prizes as we get ready for the season. Thanks again for the great support in 2006 - raising \$6,243.54! and ... thanks in advance for helping to "raise the bar" in 2007 - our goal is \$10,000! We can do it - you can help!

HALI, HALIBUT, "BUTS"

Started to show at the mouth of Esperanza Inlet a little later this year. They follow the herring spawn in which just started the second week of April. Catches of good chicken halibut (25 - 40 lb) are coming from Flower Island just outside of Rosa Harbour and at High Rocks near Catala Island.
