

Merry Christmas and a very Happy and Healthy 2008 to all of our friends!

We have had an extremely busy fall between fisheries meetings and trade shows and a birthday weekend in Vegas to see Jimmy Buffet for John. Would you believe that with thousands of people there for the concert we ran into 5 of our customers! I guess we have a whole lot of closet Parrot Heads at the Marina!!!! It was really great to have time to visit

As such our first newsletter will be coming out mid January and there will be three before the start of the 2008 season. Speaking of which, things are booking up really fast for the upcoming season, so while you are sitting back enjoying turkey or ham, get your dates together and drop us an e-mail.

Our first newsletter will feature an article all about the TUNA, yes TUNA fishing in TAHISIS. What fun everyone had fishing for albacore last season....well now you can read all about it, and how to do it, and be prepared for the 2008 season!

Thank you all again for a wonderful 2007 season – the best yet! We really appreciate you patronage and your friendship. We look forward to seeing you all again in 2008!
